Welcome...

to Just Right Challenge Therapy Gym where children **move, play** and **learn**. We look forward to meeting you and providing therapy for your child. Ours is a therapist-owned practice providing individualized occupational and speech/language therapy. Our active, play-based approach includes opportunities for children to succeed by offering them the “Just Right Challenge” during each visit.

To schedule an appointment, call the Gym directly at (603) 942-8300. Prior to your child’s initial visit with us, we will need a completed developmental history form, a doctor’s prescription and a copy of your insurance card, if you would like us to bill your medical insurance.

Just Right Challenge Therapy Gym provides pediatric therapy services including:

- Developmental Screening
- Individual Evaluation
- Occupational Therapy
- Speech and Language Therapy
- Feeding/Oral Motor Therapy
- Sensory Integrative Treatment
- Therapeutic Listening Programs
- Lending Library
- Consultation to Families, Child Care & Schools
- Skills-based Teaching

Therapy Services

Our therapists have extensive experience evaluating and providing therapy for children with the following diagnoses:

- Postural and Movement Disorders
- Learning Disabilities
- Attention Deficit Disorders
- Pervasive Developmental Disorders
- Autism Spectrum Disorders
- Sensory Processing Disorders
- Language Disorders
- Anxiety Disorders and Depression
- Behavioral Disorders
- Post-institutionalization/Attachment Disorders
- Post-traumatic Stress Disorders

We also treat children who do not have these specific diagnoses but still need help functioning in home, school and community environments. If we feel your child’s difficulties warrant further evaluation by other professionals, we will assist you in making those referrals.

Hours of Operation

For therapy appointments and phone consultations, our office hours are Monday through Friday, 8:00 AM to 5:00PM. We also offer limited evening and weekend hours for initial evaluations.

Insurance

We are providers for many insurance companies in New Hampshire, including Healthy Kids. We make every effort to work with families who may need financial assistance. If you have questions about accepted insurances, please contact our billing specialist, Cathy Sanderson Weeks at (603) 483-5127.
